Grades 1-8 At Home Program 2018-2019

Here are the requirements for the Home School program for Grades 1-8 at Holy Angels:

1. Actively live out the faith of the Catholic Church by fully participating at weekly Mass.
2. Complete the provided pre-test and mail or drop off at Holy Angels Parish Office. Please do this pre-test before doing any of the chapters in the text book. This will be used to assess the progress made by the student at the end of the school year.
3. Complete all Chapters in the text book. The textbook is yours to keep. Please write answers in the book and do the activities.
4. After completing each chapter, take the online eAssessment:

(link is available on the Holy Angels Website under Formation/Religious Education Grades 1-11)

Submit each eAssessment to talbotk@hawb.org. This is to ensure that students are working on the books throughout the year and not all at once at the end of the school year. The only help parents should provide for the eAssessment is help in reading the question, if necessary.

5. Once the student has completed the book and all the online eAssessments, please email Hannah (berglanh@hawb.org) to set up a meeting where your child will take a grade-appropriate test and the parent will discuss how the program worked or didn't work for your family.

As an additional resource, there are lesson plans on the website for home-based catechesis. This may be helpful to you if your child(ren) would like additional activities. It can be found at <http://www.aliveinchrist.osv.com> by clicking the green "Student and Family" tab and "In the Home" and/or "Games".

Below are some important activities we would like to invite your child to be a part of:

- October 14, 2018 1st Grade Parent/Student Night in Walnut Room at 6:30-7:30 pm
- November 11, 2018 3rd Grade Parent/Student Night in Walnut Room at 6:30-7:30 pm
