**What is the reason for this trip:** We will explore what it means to be a faithful citizen while remaining faithful to God and the Church. This trip is a great opportunity to explore how to avoid conflict between our American society and the traditions of our faith.

**Cost for Trip:** The cost of the trip is about \$550-\$800 per a student. The cost depends on the number of students and group travel rates. The more students, the lower the cost for you.

**What is included:** round trip transportation • ground transportation including Metro • 4 nights in lodging

**What is not included:** meals • baggage fees • Museum entry fees

**Who can attend?** The trip is open to all current seniors in high school or college age students who belong to a Catholic Church in West Bend/Newburg.

**Commitment:** Students planning on going must submit registration form ([www.hawb.org/dc](http://www.hawb.org/dc)) and \$250 non-refundable payment by February 25th. At that point we will book all transportation and lodging. By March 1st, the final trip cost will be determined. Final payments will be due by May 15th.
