5) Fr. Pat's vision for Holy Angels- Fr. Pat started by thanking the Council for their participation in his installation Ceremony and for the reception after. One of the Council goals should be a re-connection with the parish staff. To help achieve this, a social is being planned for July 27, at 6:00 PM. Lindsey will organize this event. Fr. is working at filling the position of Pastoral Care which was vacated by Colleen Mas. He is working on job descriptions and is looking for more space for Joseph and his staff. It's also been recognized that Joseph needs more help and Joseph is looking for a full time Associate Director. Fr. said that Holy angels is a good praying community but we need to get more people involved. The parish festival could have used more help in some areas. Fr. would like to get a few people together to review the in-pew survey taken in December. Since no one came forward to challenge John Butschlick for Trustee, John will serve another two-year term.

Lindsey reported that a welcoming committee has been organized and the committee is looking at putting together a welcome packet for new members and they are planning a Sunday breakfast for October 1st.

Joseph is starting a Faith Formation and is working on getting people to serve on this committee.
