Parish update –

- Sunday's 9:30 am mass now open to the public.
- Total number of people attending weekend mass increased from average of roughly to 200 and now 400 after dispensation ended. * 4pm and 8am weekend masses almost close to or at capacity. 11am lowest attendance. Capacity is at 150 people.
- Have received positive feedback of parish members appreciating the safe atmosphere while attending mass. Ropes are still important to have up as more people come back to mass to make sure we continue to follow safe distancing.
- Leadership is looking at adding a 6pm Saturday mass to not only allow people to attend mass in person, but also appeal to the youth. Need to look at other priests to help with covering the mass.
- School masses on Thursdays and Fridays.
- Looking at adding additional people to help with cleaning.
- Fr. Howard sent out a letter to all parish members regarding the ending of the Archdiocese of Milwaukee's dispensation.

School updates: (Angie)

- Just ended the 4th week with no positive COVID cases or quarantines. Teachers have been trying to get students outside for lessons. Roughly 12 students are attending virtually, parents are keeping kids home as needed, but cameras in place to help students still log in virtually.
- Fr. Howard thanks Anne and all of the teachers for how wonderful of a job they have been doing to accommodate all of the necessary changes.

- In addition, Fr. Howard stated that everyone truly appreciates the positive support from all of the parents as well. They have helped make this a successful return to school as well.
