

Summer 2020

Dear Parents,

Thank you for your interest in the Faith Formation Programs at Holy Angels! The Faith Formation staff from the four parishes in West Bend and Newburg are working together to provide more options for your family. Enclosed you will find a booklet describing every formation program offered at the four parishes. Please read through this booklet to find the best program(s) for your family.

We also want to make registration for the programs easy on your family. The registration form is the same for every formation program at each parish. All you need to do is fill out the front and back of the registration form, choose your program, and mail it along with your \$30 deposit to the parish that is offering that program. If you are registering for programs at more than one parish, send the registration form to one of the parishes and we will take care of the rest. We hope this makes it easy for you to utilize the program that works best for your family. Families who turn in forms by July 1, 2020 will receive a \$15 per child early-bird discount.

There are a couple of things you should note about the program booklet and registration form:

- * The Registration Form is for formation classes. Sacramental preparation is separate. Students in Confirmation will receive separate information and do not need to register on this form.
- * Please include a deposit of \$30 with your registration. Remaining fees will be due in September (see registration form for details). This deposit covers the initial cost of the textbook order.
- * There is a separate form in which you can list your interest in volunteering. By checking an item, you are just stating interest in helping, not committing. Someone will give you a call in the fall to talk to you about the area in which you are interested.
- * Included with your registration form you will find a schedule for the coming year. This is very tentative and should not be relied upon until you receive the final schedule that will be mailed out in August with your statement.

Obviously, COVID-19 has changed the way our world works right now. We are very aware that there is a possibility that students will continue virtual learning in the fall. We are all optimistic that students will be able to return to the classroom, but we just want to let you know that we have a contingency plan in case that does not happen. Our program will consider guidance from both the West Bend School District as well as the Archdiocese of Milwaukee. So, if the school district and/or the Archdiocese recommends continuing virtual learning in the fall, we will adjust our program and have our Faith Formation students (in grades K5-Confirmation) learn virtually as well. We will keep you posted on how that will work if that needs to happen, but for now, we are anxious to see everyone back here in-person in the fall!

If you have any questions, please give me a call or email at 262-334-9393, or berglandh@hawb.org.

We are looking forward to seeing you next school year!

Peace and all good,

A handwritten signature in black ink, appearing to read "Hannah Bergland".
